Contemporary glamour, clean lines and a neutral palette blend seamlessly to create a relaxed ambiance of unpretentious luxury in this distinctive Windermere estate in Worthington Park, an intimate, gated enclave consisting of just 9 custom homes. The thoughtful interior design is highlighted by large, airy spaces that lend themselves to gracious entertaining, a delightful combination of cool travertine and warm wood flooring, and an abundance of natural light, resulting in an easygoing, yet stylish feel. Enjoyed as a vacation residence, this fashionable home has barely been lived in and is beautifully maintained. You will find all of the requisite elements, from coffered ceilings and architectural detailing to granite counter tops and a fully equipped, gourmet kitchen, mixed with the unexpected, including a laundry chute and unique second floor passageways. The sense of serenity is heightened by the outdoor retreat, visible through expansive windows and multiple sets of glass doors. Flanked by tiered terraces and an elevated entertainment cabana with a full summer kitchen and outdoor fireplace, the generous salt water pool is appointed with specialty lighting, water features and a bubbling spa. Beyond the protective screen enclosure, dotted with palm trees, the back yard is a perfect recreational space, providing lush grass complemented by a sand volleyball court and bordered by a conservation area. You are invited to make this special home your own. Call today for a private showing!

Art blends with function to form this impressive Windermere waterfront residence sitting high overlooking Lake Down on the Butler Chain of Lakes. Current owners took care and spared no expense in renovating the property inside and out. All living areas are on the 1st floor with the exception of the upstairs game room and adjoining study loft. The master retreat boasts a shower with lake view, tile fireplace, exercise room, abundant closets and a private screened lanai. A designer kitchen is central in this home, complete with custom cabinetry, large granite island, wine bar, desk area and morning room. Multi-purpose rooms contain laundry, refrigerator, cabinets and storage. A step down family room opens from the kitchen. Floors are Brazilian Cherry with slate detailing in the foyer. Arts and Crafts windows with hand crafted shutters and a custom cedar and stained glass 8' door add to the charm and character. Tennessee River Rock is found throughout, accenting columns, fireplace and summer kitchen. Vaulted ceilings are constructed with cedar planks and wood cross beams. All rooms, including the bedrooms, are spacious with hand plastered walls. Multi level cobblestone decking surrounds the backyard pool and a sprawling lawn gently slopes to over 130' of sandy shoreline. Professional landscaping enhances a peaceful, park-like setting. From this perspective you have both sunrise and sunset views and nightly firework displays. 3 car garage and covered boathouse provide room for cars and watercraft.
